1 In Decision No. 63546 (April 4, 2004), Verizon Select Services, Inc., ("VSSI")  
2 received a certificate of convenience and necessity (the "CC&N") to provide competitive  
3 facilities-based and resold intrastate telecommunications services and AOS services in  
4 Arizona. The CC&N was condition upon, among other things, the requirement that VSSI  
5 file certain fair value rate base ("FVRB") information within 18 months of the date VSSI  
6 first provides service following certification as set forth in Finding of Fact 18(b) of  
7 Decision No. 63546. VSSI inadvertently failed to file the required FVRB information,  
8 and in a letter from the Commission's manager of compliance and enforcement, was  
9 informed that its CC&N was void. VSSI is currently providing telecommunications  
10 service to customers in Arizona.

11 Attached hereto as Exhibit "A" is the FVRB information required of VSSI in  
12 Decision 63546. VSSI hereby requests a retroactive extension of the 18-month  
13 compliance deadline in Decision 63546 through and including April 15, 2003, the date of  
14 this filing. VSSI also requests that the Commission confirm that VSSI's CC&N remains  
15 in effect.

16 Contemporaneous with this filing, VSSI is also submitting its annual utility report  
17 for 2002.

18 RESPECTFULLY SUBMITTED this 15th day of April, 2003.
